## Job Description

---

☒ Sroda Wielkopolska, Poland | Stadler Manufacturing

☒ ~30 km from Poznan

Duties:

Painting of steel structures for rolling stock (railway equipment).

Work with two types of painting:

Powder coating – application of paint by electrostatic method with subsequent baking in a furnace.

Wet painting – application of liquid paint with a spray gun on a prepared metal surface.

Surface preparation, technology compliance, quality control of coating application.

Requirements:

Work experience is mandatory! – minimum 1 year of experience in painting steel structures.

Ability to work with a spray gun and/or in a powder booth.

Accuracy, responsibility, and adherence to safety regulations.

Polish language – at a basic level (for understanding instructions and safety regulations).

Conditions:

Rate: 35 zł/hour net.

Schedule: possible to work 12 hours a day, 5–6 days a week.

Accommodation: provided, payment – 500 zł per month (convenient, close to work).

Hot lunches in the canteen – 15 zł each.

Official employment under Umowa Zlecenia (contract of mandate).

Work in a warm, modern workshop.
